Diversity Code

In our school, diversity is found,
 Happiness and friendship, that we are bound.
 Divided we fall, united we stand,
 That is known throughout our land.
 Happy we are, sad we are not,
 Racism is wrong, it's all in a knot.
 So please be nice, do not be mean,
 We know this is right, this we have seen.

Castaheany Educate Together

In our school diversity is found,
With happiness and friendship all year round.

We all come from different places,
We all have unique faces.

We are different in many ways,
We celebrate this through all the days.

Divided we fall, united we stand,
Different cultures hand in hand.
