

## Our School is Now in the Yellow Flag Programme!

Date -

Dear Parent,

Our school is delighted to be taking part in the Yellow Flag Programme this year. The Programme is about ...

- learning more about our own and others' culture
- valuing and celebrating the diversity that is in the school
- learning more about treating people fairly

To be awarded a Yellow Flag, the school has to complete 8 Steps – one of these Steps is setting up a **Diversity Committee** for the school.

The Diversity Committee will be made up of parents, students, teachers and other community leaders. It will meet once a month, for about an hour, near the end of the school day. The Diversity Committee will help to guide the Yellow Flag Programme in our school. Its main job will be to make an action plan. The action plan will be a list of events and activities that will celebrate and value diversity in our school.

We want to get parents involved so we can learn more about each other's culture. We feel that you have something important to offer this committee.

To find out more about the Yellow Flag Programme, see the videos on the yellowflag website – [www.yellowflag.ie](http://www.yellowflag.ie)

I hope that you are interested. This committee will be new for everyone, it will be fun for us to learn together!

Regards,
