The 8 Steps: A Quick Guide

1 - GETTING STARTED & KEEPING TRACK

This step is about setting goals, getting people involved and setting up a system for recording your work.

2 - THE DIVERSITY COMMITTEE

The Diversity Committee is made up of students, teachers, parents and others. They will make decisions about the Yellow Flag Programme in your school.

3 - EQUALITY & DIVERSITY TRAINING

School staff will do training in equality and diversity, they can then pass on their knowledge to students.

4 - THE INTERCULTURAL REVIEW

Students and parents will take part in a survey to find out more about life in school - this will help schools to decide on actions.

5 - THE ACTION PLAN

The Diversity Committee will make a plan for the school - to celebrate diversity and keep people safe from discrimination.

6 - GOING BEYOND THE SCHOOL WALLS

Families, community organisations, religious organisations and others will be involved in learning and celebrations.

7 - CLASSROOM WORK

Students will do projects and take part in classes to learn more about culture and belonging, differences and similarities, human rights, equality, discrimination and more.

8 - THE DIVERSITY CODE & POLICY REVIEW

Students will get involved in writing a Diversity Code for your school - this will tell everyone how your school thinks and feels about cultural diversity. Schools will also look at their school rules and see if they need to be changed to foster greater equality.
